

# HIGH FIVE WINS FIRST GAME--SUMMER BASEBALL MAY BE RETAINED

## HIGH QUINT WINS OPENER 28 TO 11 FROM ALL-STARS

Y. M. C. A. Commercial League Men Gives School Men Tight Battle in First Half.

The high school basketball team opened its season last night at the high school gym when they won a close game from the Commercial league Y. M. C. A. All-Stars, 28 to 11.

The game was close all the way until the early part of the second half when the high school team edged away from the stars and from then on caged the ball with ease. O'Donnell, forward for the tan and blue, was the bright light of the evening, casting the ball no less than nine times, many shots being from the center of the floor. "Bob" Vermande, the elongated center of the locals, playing in the second half, showed up best at the position. Smith and Zilly both went well at the guard jobs, both holding the All-Star forwards scoreless for 15 minutes of the second period.

Metzler was disappointed at the poor team work displayed by the locals, but hopes to remedy this before long. Another all-star aggregation from the Y. M. will be taken on Wednesday night in another practice game. The summary and line-ups follow:

Catholic Society Team Beats All Stars With Ease.

The Holy Name society five defeated the local All-Stars, 68 to 14, in St. Patrick's gym last evening. Nyikos with 18 ringers starred for the winners while the strong guarding of McCarthy was also a feature. Hardebeck and Schubert, forwards, each secured six baskets, McCarthy and Butler sharing the other points. The Holy Name five will meet the strong Brownson hall of Notre Dame in a game, Wednesday evening in St. Patrick's gym.

### SINGERS WIN 13 TO 4

Defeat Oliver Indoor Team at Y. M. C. A.

Good hitting on the part of Singer players and poor fielding on the part of the Oliver men gave the victory of the indoor baseball game between the two teams of the Manufacturers' league to the former team 13 to 4.

Pierce, catcher for Olivers, failed to hold the ball on the third strike and a number of men reached first base after three strikes. Moore, pitching for Olivers, succeeded in striking out 19 men, while Connors of the Singer team struck out 16.

**WANTS NATIONAL GAME**

Illinois Will Make Fight to Keep Baseball on Books.

URBANA, Ill., Dec. 7.—A vigorous fight will be made by the University of Illinois to retain baseball in the Big Nine conference. This was shown today by the action of the university senate in vetoing the action of the faculty committee in abolishing baseball. According to the rules of conference procedure, the question goes back to the board for reconsideration at its next meeting, which is not until next June, and with the Illinois veto imposed baseball has a temporary lease of life at least. The 1916 baseball schedules will be played unless a special meeting is called.

**CHICAGO, Dec. 7.**—Maroon athletes are confident today that baseball will be retained as inter-collegiate sport, because of the fact that Illinois has vetoed the rule, and sentiment at the Chicago university is fast coming to a head in opposition to the rule. It is pointed out that the conference colleges must ratify the committee's action, and one veto will prevent the adoption of the new rules.

**MEN WRESTLE TO DRAW**

Russian is Unable to Throw Referee Bothner.

NEW YORK, Dec. 7.—Ivan Linow, the 270-pound cossack, has again failed to down George Bothner, former lightweight champion catch-as-catch-can wrestler. Ivan hauled and mauled Bothner for 30 minutes at the international tournament last night, but Bothner's wonderful leg holds held the Russian safe at all times. The bout was called a draw.

Wladek Zyzko defeated Wilhelm Berner of Germany in 24 minutes and eight seconds. Dr. Ben Roller, the American, and Sulo Heconpaa of Finland, wrestled 20 minutes to a draw.

**DEFEATS DEORO.**

CHICAGO, Dec. 7.—For the second time within a week Al Wessling, a Chicago amateur, defeated Alfredo Deoro, three-cushion champion, in an exhibition last night, winning 50 to 39. Wessling's high run was 7.

## BICYCLE RIDERS BEHIND MARK IN SIX-DAY CONTEST

Leading Teams Are One Mile and One Lap Behind Record—Egg Makes Series of Sprints.

NEW YORK, Dec. 7.—Frequent sprints by the six-day bicycle riders in the early hours today failed to set new marks, and at 8 a. m. the leading teams were one mile and one lap behind the record. At that hour 13 teams were tied, one team a lap behind, and two other teams four laps behind the leaders.

The four teams not up with the leaders were lapped during the hard riding earlier in the day, a series of sprints by Egg, in which there were numerous spills, gaining the advantage.

The score at 8 a. m., the 32nd hour, follows: McNamara-Spears, Fogler-Carman, Lawrence-Mazin, Egg-Dupuy, Drobach-Gorry, Mitten-Hansen, Ryan-Thomas, Moran-Walshour, Piercy-Walker, Eaton-Walshour, Seres-Linart, Hanley-Halstead, 705 miles flat; Sullivan-Anderson, 704 miles, 9 laps; Suter-Madonna, 704 miles, 8 laps; Wohlrab-Kopsky and Tuddi-Russ-Vandertuyt, 704 miles, 8 laps.

The record is 706 miles and one lap, made by Lawson and Root, last night at Chicago.
